

# ENTERGY PILOT PROGRAM NEW ORLEANS, LOUISIANA

INTERIOR SPACE PLANNING - RESTACKING

**COMPLETED:** 2017

**PROGRAM:** 41,428 SF

**FLOOR 16 - PHASE 1**

**FLOOR 17 - PHASE 2**

**BUDGET:** \$3.3M

**CLIENT:** ENTERGY SERVICES, INC.

■ Entergy Services, Inc. decided to consolidate their offices throughout the city, relocating departments from Kenner and the Westbank their downtown Headquarters. Space had to be vacated to provide room for these relocated employees, requiring a long re-stack process, up to 800 employees had to be re-shuffled. The goal - design and construct a more collaborative and efficient environment for employees. The directive was to build-out two floors in this new workplace strategy, hence the "Pilot Program".
